**Manufactured using only the finest Ring Spun Carded and Combed Quality Yarns on air jet shuttless looms and tested to the highest standards throughout our strict quality control, Thomas Kneale's range of Arbry Linen® polycottons are exceptionally comfortable and durable.**

Our easy care Polycotton Linen provides superior hygiene as they can be washed at high temperatures for thermal disinfection. By using infra-red pigment dyes, thermal reactive dyes or vat dyes we can guarantee that your colours will not bleed at these higher temperatures of washing.

**We have colours to suit all our customers' needs and aspirations and our items are versatile and competitively priced. You will always find our Linen fresh, crisp and very comfortable every time and they will improve the more they are washed.**

**Please contact us directly to discuss your requirements**
